EXPERIENCE

Systems Coordinator

The Finest Accessories, Inc. | North Bend, WA | October 2018 - Present

The Finest Accessories, Inc. is a fashion company whose goal is to inspire beauty and confidence. Promoted to Systems Coordinator to help manage, maintain, and implement the fast-growing need for technical solutions.

- Manage, maintain, and implement various company systems
 - For example: Shopify, BrightPearl, and SPS Commerce
- Onboard new employees by setting up and training on various systems
- Research and design efficient technical business solutions
 - For example: Backbone and SharePoint
- Resolve technical issues
- Document and refine policies and procedures

Store Administrator

Weldon Barber | Redmond, WA | February 2018 – November 2018

Awarded Employee of the Month | April 2018

Weldon Barber is a luxury men's hair salon. Role was to maintain the store's schedule, stock, and functionality.

- Maintaining a detail record of money flow
- Managed and maintained stock of product inventory
- Managing phone calls and email correspondence
- Arranging and maintaining appointment schedules
